MENAFERT

Trace Elements MENABOR 150 GK LIQUID

Description

Brand Name	MENABOR 150 GK LIQUID
Chemical name	Solution of boron ethanolamine
Appearance	Slightly viscous, colorless to light yellow liquid

Chemical Composition

Boron (B)	11% w/w 14.7% w/v
-----------	---------------------

Physical Properties

Density	1.34 g/cm ³
pH	8 +/- 0.5
Solubility	Soluble in water
